

Reunion's Find & List Window

Agenda

1. Help -
 - Click on Help, Contents, then ^F for FIND AND LISTS to display helpful information about those features. Reunion has very useful Help pages
 - Click on Help, Tutorials to view thorough Reunion info
 - Click on Help and click on Context Sensitive Topic listed
2. Find
 - Reunion 13 Find Enhancement (@ 2 min 30 sec)
 - Reunion 13 Find Relationship (@ 4 min 18 Sec)
 - System-wide Find
 - Enhanced Find
 - Find Relationships
 - Find and Replace (probably should stay away from this)
3. List Window
 - Sidebar selection selects content of List Window
 - Populated with results of Find
 - List Window pulldown selects contents of List Window
 - Click SHARE button to produce List Window Report

Notes:
